

SAFE-D50/50

Safe-D U-Clip 50 (Pack of 50)

Safe-D U-Clip 50 Clips are popular for fitment in 50mm non-metallic trunking bases, or to provide a first-fix solution for securing cables direct to surfaces.

Ideally use with D-Fixing screws, then simply fold-over tabs to secure cables.

1st fix clips, then 2nd fix cables!

Technical Specification

Production Method	Pressed
Bullet 1	Certified for 2 hours at 970°C
